

SUMMER SCHOOL

You're Invited

**AN EXCITING OPPORTUNITY FOR
YEAR 6 AND 7 STUDENTS TO
EXPERIENCE NEW ACTIVITIES
AND LEARNING AT OUR FREE
SUMMER SCHOOL 2021**

Our Summer School Programme will be jam-packed with exciting experiences involving workshops led by a collective of professional workshop creatives (including visual arts, music, poetry, digital art, writing, animation) and sport and fitness experts alongside HHS teachers. This is an opportunity for attendees to experience 4 days of "awe and wonder." Students will enjoy new experiences, develop interests, increase their confidence and find hidden talents!

Mindful of the challenges of the past year, this programme will provide the opportunity for students to make new social connections in preparation for September and provide catch up learning after the challenges of the last year.

If you feel your child would benefit from this support and would like to take advantage of this fantastic opportunity, please register by completing the form on the following link by **Wednesday 16th June**.

Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist.

Be curious.
